## SUMMARY

Motivated second-year Creative Computing student at Bath Spa University UAE with a passion for bridging the gap between design and technology. Currently serving as the Organizer for Google Developer Groups On Campus BSU RAK, after previously leading visual storytelling and branding initiatives as the Design and Creative Lead. Eager to leverage skills in digital design, creative problem-solving, and leadership to contribute to innovative projects.

## EXPERIENCE

- GDGoC Organizer**  
Google Developer Groups On Campus, Bath Spa University ↗

05/2026 - Present

  - Oversee chapter operations, manage team coordination, and facilitate tech-focused events for the student community.
- Design and Creative Lead**  
Google Developer Groups On Campus, Bath Spa University ↗

08/2025 - 05/2026

  - Spearhead the creation of visual assets for campus events, workshops, and social media campaigns.
  - Collaborate with cross-functional teams to ensure consistent branding and engaging user experiences for the student community.
  - Mentor team members in design best practices and assist in organizing tech-focused events.
